January 2010

Dear Purcellville Business Owner:

While the debate in Washington rages over the issue of health care, we are blessed as a community with the significant investment Inova has made in our Town.

As such, I am pleased to report that Inova has agreed to hold the first of what I hope will be a series of outreach sessions to our business community to discuss how they can help reduce your health care costs through such items as employee physicals, drug testing and workers compensation reviews just to name a few. The first outreach session will occur on Monday, February 8, at 7PM. The session will be held at Purcellville Town Hall, 130 East Main Street.

I hope you will be able to join us for what I know will be an informative presentation.

Sincerely,

A handwritten signature in black ink, appearing to read "R. Lazaro, Jr.", with a horizontal line extending to the right.

Robert W. Lazaro, Jr.
Mayor

P.S. Please RSVP your attendance to our Assistant Town Manager, Patrick Childs, at pchilds@purcellvilleva.gov so we may ensure you a seat at the event.

P.P.S. Inova's Mobile Health Van will be at Town Hall that day from 4 to 7PM providing health screenings and seasonal flu shots. Flu shots cost \$25 and may be paid for with either cash or check.
